AM**

Minnesota Farm Insurance

Title: **What's New in Farm Insurance**

Speaker: **Dale Fenrich**

New coverages offered in farm policies to fit today's farming needs.

**1:00
PM**

Salmet International

Title: **Colony Housing Systems**

Speaker: **David Simmons**

Salmet is the industry leader in the colony housing system. Our nest perch and scratch areas are designed for bird comfort.

**1:30
PM**

Chick Master Incubator Co.

Title: **Saving Energy and Becoming More Environmentally Friendly in Your Hatchery**

Speaker: **Claude Leroux, Jr.**

We will discuss heat recovery, energy management and the elimination of mercury based controls in all types of poultry hatcheries.

**2:00
PM**

Skyline Roofing Services

Title: **Metal Roof Restoration Systems**

Speaker: **Stan Volkman**

Protect your investment using energy efficient Metal Roof Restoration Systems. See a demonstration of four renewable roof systems that are easy to install and environmentally safe.

**2:30
PM**

Once Innovations, Inc.

Title: **The New Science of Poultry Lighting**

Speaker: **Zdenko Grajcar**

Demonstrate the unique smooth dimming capability of the AgriShift Poultry Light -- smooth dimming from high intensity, wide spectrum, white light to a monochromatic blue, green, or red, depending upon the model and purpose for poultry operations (broilers or layers).
